## Book Details:

*Review: If you want to use this ceremony verbatim, you'll probably want to discuss this ceremony with the couple before springing it on them as it is almost a full-on worship event complete with communion, etc. Unless you know the couple very, very well, I think it assumes a lot as to whether or not each is a true believer or not. Some of the parts are...*

*Description: The marriage union is the closest relationship that can exist between two human beings. When a man and woman decide to join together in marriage, they should do so with full realization of their responsibilities. Marriage is serious business. When two born-again believers know it is God's will for them to marry, they come together before God, a minister...*
